

**tcbi** **mass 2024**

The International Conference on Thermochemical  
Conversion Science: **Biomass & Municipal Solid  
Waste to RNG, Biofuels & Chemicals**

**September 10–12, 2024** | Westin Hotel, Itasca, IL

# About the Conference

## tcbiomass2024

**tcbiomass2024** focuses on the science of thermochemical conversion of biomass and municipal solid waste (MSW) to renewable methane, LPG, liquid fuels, and chemicals. This international event draws attendees from around the world, with past conferences including representatives from Brazil, China, Finland, Germany, India, New Zealand, South Africa, Sweden, and over 20 other countries.

This unique conference highlights the science of thermochemical conversion and real commercial opportunities for deployment of this technology. In 2024, the program will continue with the inclusion of MSW as a feedstock, products like renewable methane, in addition to liquid fuels and chemicals. This edition will seek to highlight solutions for difficult to decarbonize energy sectors.

Keynote speakers from the U.S. Department of Energy, national laboratories, the European Union, and the energy industry have headlined past **tcbiomass** conferences, as well as a number of speakers selected by peer review following a call for papers. Conference tracks in 2024 include gasification, pyrolysis, hydrothermal processing, hybrid approaches, and upgrading of biomass and MSW feeds.

# Sponsorship Levels

## BENEFITS FOR ALL SPONSORS

- Company logo on conference promotional materials
- Company logo and description in the conference program
- Acknowledgement during opening day of the conference

## Platinum: \$50,000

- Full-page ad inside conference program
- Platinum Sponsor Presentation during conference (not an infomercial)
- Spotlight in pre-show email
- Spotlight in multiple social media posts
- Brochure distributed in the conference registration packet
- 8' pop-up exhibit display or tabletop display
- Dinner and lunch sponsorship and promotion
- Reception Sponsorship
- 6 complimentary conference registrations

## Silver: \$10,000

- Quarter-page ad in conference program
- Brochure distributed in the conference registration packet
- 6' tabletop exhibit
- Break sponsorship
- 2 complimentary conference registrations

## Gold: \$25,000

- Half-page ad in conference program
- Brochure distributed in the conference registration packet
- 8' pop-up exhibit display or tabletop display
- Opening reception sponsorship and promotion
- Lunch sponsorship and promotion
- 4 complimentary conference registrations

## Bronze: \$5,000

- Brochure distributed in the conference registration packet
- 6' tabletop exhibit
- Break sponsorship
- 1 complimentary conference registration

# Special Sponsorship Opportunities

## Student Poster Challenge: \$2,500

As with past events, tcbiomass2024 will feature a student poster contest. Participating student authors will be selected by peer review and judged at the conference, and the top three authors will receive cash prizes. Four Student Poster Challenge sponsorships are available.

Student Poster Challenge sponsors will enjoy the following benefits:

- Online and onsite recognition as a primary sponsor of the tcbiomass2024 Student Poster Challenge
- 1 complimentary conference registration
- Company logo and 60-word company description in the conference program
- Company logo on Student Poster Challenge prize certificates and recognition at the awards ceremony held on the final day of the event

## Conference Exhibitors – Exhibit Table: \$2,495

- 6' (1.8m) tabletop exhibit
- Company logo in the conference program
- 1 complimentary conference registration
- Additional registrants receive a discounted rate
